Bill

Thanks for your DX letter dated 12/20/87 (reception date).

WGPA operates on 250 watts, days, at 1100 Khz. Our programming is adult pop music, news, sport and community affairs. We are not affiliated with a network. Our antenna height is 260 foot. We broadcast local service to local permit and serve the Allentown - Bethlehem - Easton market. We get only a few DX letters each year.

Thanks for your interest and good luck with your hobby.

Sincerely
Henry G Chadwick
Owner - manager
